We are working on a few solutions to get our Google account up and running. We should be able to pass out devices Wednesday to students and give them a quick training on how to use them. Thank you so much for your patience!

NORTHSIDE’S FIRST DAY!

We are so excited for not only the first day of this school year, but the very first day of Northside Christian School ever! What a blessing to see all the ways that God has moved so we can partner together in your student’s education. Please join us in prayer over the teachers, the students, the leadership, the organization and the technology.

IN PERSON FAQ’S

What should I wear? Neat, clean, modest clothes. No sweatpants, PJ pants or athletic pants. See the full dress code on the “Current Families” page on our website.

What should I bring? Backpack, water bottle, packed lunch, 3 ring binder with loose leaf paper, and a few pens and/or pencils.

Where do I go? Students will be dropped off at the front, main doors and be directed to the fellowship hall to start. Pick up will be in the same spot. Parents are welcome to park and walk their students in on the first day if they’d like.

Remember: Chapel starts at 8am sharp! Don’t be late!

We’re so thankful for the wonderful team of four full-time teachers God has brought to Northside! They’re eager to begin investing in your students this year, and we’ve included their contact information along with a fun ‘favorites’ sheet so you can get to know them better.
